ENHANCE EMPLOYEE WELL-BEING

The following solutions can be used to help your employees, their family members and friends

SHOEBOX QUICKTEST™ HEARING SCREENER

An iPad-based screener that can be placed in workplace common areas. Employees can self-administer a quick 2-minute test. Results are classified as good, reduced or very reduced hearing ability.

SHOEBOX ONLINE™ HEARING SCREENER

A simple, self-administered online screening test that can be accessed from anywhere. Results - in under 5 minutes - are classified as good hearing, hearing loss, or significant hearing loss.

HEARING AID ADVANTAGE PROGRAM BY TruHearing®

Exclusive discounts on hearing aids for all employees and their loved ones. TruHearing makes it easy to get a full hearing exam and access to highly discounted, brand name hearing aids. *Both programs include discounts on hearing aids with the TruHearing Hearing Aid Advantage Program.
